

# The Future Starts Tomorrow

The Azalea City Bonsai Society 2010

## Day of Bonsai March 20<sup>th</sup>

**Program 1-** A computer projected review of all the bonsai exhibited at the 1<sup>st</sup> National Bonsai Exhibition 2008 This was the “first” national exhibit for the USA.

**Program 2-** A computer projected review of the **Bonsai exhibited at The BCI Convention “Italy”** See the best in Europe after looking at the best in America. All comments during both presentations are welcomed. The Fabian’s of Ft Walton will present this program

**Program 3-** Don Corley will present a repeat of his “**How to grow Juniper Bonsai**” After viewing all the Juniper bonsai at the National Exhibit And the beautiful Juniper bonsai in Europe find a way to make your Juniper grow better than anyone every has in the past. Many bonsai Artist in our region have requested this program and information be repeated this year.

**Program 4-** Bonsai Trunk restoration, Scar healing, Jin and Shari carving and Preservation. Joe Day will present the techniques, tools and logic of creating and preserving your artistic work on a bonsai for generations to admire. Many of the items used and the techniques were invented by Joe Day and used successfully for over 20 years. Most of these items and techniques have only recently been revealed to other artist. If you plan to create great bonsai you need to understand these tools, materials and techniques. Many of the tools, materials and techniques are not in any books, internet or magazines.

**Program 5-** A workshop using a wonderful Holly called “ Pagoda” This material was offered at the fall auction it went fast and brought big money. This material is 3 gallon. This material is difficult to find now and will probably be impossible to find in a few years. It is unique and creates great bonsai. 10 slots are available for a fee of \$30.00.

**March 20<sup>th</sup> at St Lukes. The doors will open at 8:30 \$30 for single and \$40 for family, workshop no included. Lunch served with refreshment available all day.
